IT'S OPEN—The new \$700,000 Desert Hospital officially opened for business Wednesday and by noon Thursday had admitted five in-patients and announced the delivery of the first baby

born around 10 a. m. Thursday. A second baby was expected to be born the same day. Pictured above is an over-all view of the new hospital building. (Earle O'Day Photo.)

Council Changes Mind on Parking Meter Extension

Stanley Rosin, owner of the El Encanto and the Tahquitz Vista hotels, may have missed his calling. He should have been a lawyer, or salesman.

That was the opinion of many at council session Wednesday when he persuaded councilmen that they may have been a bit too hasty in ordering the installation of additional parking meters at the southern end of the downtown section of Palm Canyon drive.

WHEN ROSIN finished his 20 minute desolation on why parking meters should NOT be installed between Baristo and Ramon roads, council decided not to vote on the proposed ordinance and to table the entire matter until a further study is made.

After Rosin spoke, Nat Tongan, manager of the Del Tahquitz added more argument as did Herman Reich, owner of the Village Market.

ROSIN POINTED out that meters at both extremities of Palm Canyon drive now in operation "were dead heads and not payin' off," and further, "that inasmuch as there was no off street parking available in the area, parking meters would only aggravate park guests who in turn would park their automobiles on the new Safeway Store

This Side of the Sun

By Phat

(Note—Owing to all topics which came to the top, in a strenuous pre-dawn hour of thinking, being controversial, and also to the fact that nothing seemed to rhyme, there will be no poem here today. We will now turn to page 56 in the hymnal and join in the Doxology—THE EDITOR.)

PSST! PST is back. . . Sunday a.m. at 2, we'll be back on standard time and the sun will be up an hour earlier—By the way, next week, also THE SUN will be out a day earlier—Anyway, change your clocks and watches Saturday night before retiring and enjoy an extra hour of sleep Sunday morning. . . But you won't be ahead any. . . You lost an hour of sleep on the last Sunday in April when we went on daylight time. . . William G. Bonelli set at rest the question of tomorrow night's closing. . . He ruled this week that the state law specifies that bars, pardon me, lounges, must close at 2 a.m. . . He said whatever the legal 2 a.m. is, that's it. . . So tomorrow night, people who like to close 'em up, had better take it easy at 1 a.m., PDT. . . They'll have two hours more, not one.

SPEAKING of time and so on. . . It's about time to suggest PPT again. . . Pacific Phat Time. . . The system that uses all of the advantages of standard and daylight time and none of the disadvantages. . . Have polished it up, essentially, the effect is the same. . . Here in Palm Springs we have a lot of people who have to get up early. . . They want Standard time. . . We also have a lot who like to get up late and stay up late. . . They want daylight time. . . Under PPT, both are happy. . . In the morning it's standard time until, say, 9 a.m. . . Everybody is probably at work by then. . . Push

NEW DESERT HOSPITAL OPENED TO PATIENTS

Patients were received at the new \$700,000 Desert Hospital here Wednesday when it was officially opened.

According to a hospital spokesman six in-patients had been received by noon yesterday, one baby, the first at the new hospital, was delivered and another was expected momentarily.

THE HOSPITAL has 38 beds, contains the latest equipment has a hospital staff of 25 persons including nurses, technicians and administrative assistance and a staff of 17 doctors. Mrs. Genevieve Valencia is administrator. Floriano Boyd, director of the hospital said that the new hos-

pital would be officially dedicated December 9 when "open House" will be held for interested Visitors.

"THE TIME and number of hours for the dedication has not been decided upon yet," Boyd announced, "but will be following the next meeting of the board of directors."

The hospital structure cost approximately \$450,000 to which nearly \$50,000 in equipment and 7.35 acres of land deeded to the Palm Springs Desert Hospital District and valued in excess of \$150,000 when land improvements are considered.

Indian Ave. Job Now Under Way

Widening of Indian avenue to a 100-foot thoroughfare got underway Thursday when the J. and S. Paving company moved heavy equipment to the site and started pouring cement for curbs yesterday.

City Manager Russell Rink announced that the paving company has 90 days in which to complete the entire mile of street paving with the exception of an area in front of the Indian Bath house. How that area shall be paved will be decided in Federal District court as a result of a suit filed by several members of the local Indian tribe.

"The paving job should be completed by January 2," Rink said.

On the House

First Baby Born at New Hospital

First baby born at the new Desert Hospital was delivered at 10:30 a.m. yesterday to Mrs. Stephens Field. It was a baby girl weighing six pounds, hospital authorities announced.

And that isn't all Papa Steve, employed at the Racquet Club will be more than surprised when he forks into his pocketbook to pay the hospital bill—there isn't going to be one, Genevieve Valencia, administrator of the hospital declared.

"The first baby born at the new hospital, well, it is all going to be on the house," the administrator said.

Also waiting to enter the delivery room on the same day was Mrs. Lucy Woodward and yesterday's evening report indicated that she was still waiting.

IN WITNESS WHEREOF, I have hereunto set my hand and the Great Seal of the State of California to be affixed this 14th day of September, A. D., One Thousand Nine Hundred and Fifty-One.

New Fire Raging North of Village

Fire discovered by forest rangers seven miles southeast of the Mill Creek resort area in the San Bernardino mountains was raging out of control at a late hour yesterday.

The fire was spotted at 10 a.m. and 25 Arizona Indians, who fought the Millard Canyon fire all of last week, were rushed to the scene, the San Bernardino National Forest Service announced.

Norman Farrell, supervisor of the National Forests in that area is reported to have sent out a call for additional assistance and more equipment.

A strong wind was whipping the blaze along through virgin timber and brush in a southwest direction, away from the Mill Creek area at 3 p.m. yesterday.

Three New Trucks for Public Works

Palm Springs' Public Works department will soon have three new pickup trucks assigned to it for use.

City Council awarded Ben Cowan, local Ford dealer, a purchase order amounting to \$4,065 for the delivery of the vehicles as the lowest bidder.

Three Councilmen to Attend Session

Councilmen Earle Strebe, Frank Miller and Bill Veith will attend the meeting of the League of California Cities in San Francisco scheduled for October 15 to 18. City Manager Russell Rink and several department heads will also attend.

PROCLAMATION

In the light of recent international events, our cherished right of freedom of the press takes on added importance. For as we consider the ugly pattern of aggression by forces seeking to dominate the world, we find that the gagging of the press is invariably a prelude to the destruction of free government.

We have reason to take pride in the alert and vigorous press that has been built up in our Nation under our traditional freedom of thought and expression. We cannot, however, assume that it will always be that way. In our own hemisphere, we have witnessed the death of La Prensa, one of the world's great newspapers. Elsewhere, we have seen the perils that beset the men and women of our free press in their pursuit of the truth.

We have the example of William N. Oatis, now incarcerated behind the Iron Curtain in a mockery of justice by oppressors who know that the printing of the truth interferes with their aim to destroy individual rights and freedom.

In view of these and other disturbing events in the world today, it is appropriate that the slogan "Your Newspaper Lights the Way of Freedom" has been selected for the 12th annual observance of National Newspaper Week. In cooperation with this program of the free press of our Nation, I, Earl Warren, Governor of California, do hereby proclaim the period October 1st to 8th, 1951, as NEWSPAPER WEEK in California. I urge that all the people of our State take the opportunity during this period to become more familiar with the services and facilities offered by their community newspapers and their contribution to the preservation of our way of life.

IN WITNESS WHEREOF, I have hereunto set my hand and the Great Seal of the State of California to be affixed this 14th day of September, A. D., One Thousand Nine Hundred and Fifty-One.

(Signed Earl Warren)
Governor of California

Juvenile Court to Decide Action in Crosswalk Death

Juvenile court of Riverside county will decide on what action is taken in the case of Gordon McMahon, 17, of Cathedral City whose automobile ran down and fatally injured little four-year-old Rochelle Jean Blythe of Blythe on Palm Canyon drive last Saturday afternoon.

Officer James Clarkson of Palm Springs filed a petition in juvenile court at Riverside Tuesday charging McMahon with "alleged negligence in driving an automobile."

THE ACTION was ordered by Chief of Police A. G. Kettmann after conference with Deputy District Attorney Elwood Rich who attended the inquest over the little girl last Monday at Welfels and Sons mortuary. Jurors at the inquest referred to the accident occurring in a crosswalk. Their verdict termed the death "accidental."

McMahon was cited for violation of rights of a pedestrian in a crosswalk after the tragedy and released to the custody of his parents.

HE CLAIMED he was traveling at a slow pace and did not see the little girl until too late. Her mother and grandmother were in Bullocks shopping at the time. The accident occurred in the crosswalk before that store.

Funeral services were held for the girl who was the daughter of Mr. and Mrs. John Blacklock of Blythe in that community.

Promoted

Three on Police Reserves Move Up

Promotion of three members of the Palm Springs Police Reserve Officers Association were announced by Chief of Police Kettmann yesterday.

The promotions which took place September 25 saw Homer Neel elevated to the rank of lieutenant, Ormond Eskew and Jack Sanders made sergeants.

The force consists of 35 members trained in regular police duties with Sgt. Bill Lux, regular member of the Palm Springs Police Department acting as co-ordinating officer.

Rudy Salazar is captain of the police officer's reserve and there is one more sergeant and Will McKinney.

City Manager Rink Returns

City Manager Russell Rink was back on the job this week following his annual vacation. He said he and family flew in their private plane from here to the East Coast visited several large cities, the Ford plant in Dearborn, Michigan and other places of interest.

While on the eastern coast Rink spent five days representing this city at the International Association of City Managers' convention at Poland Spring, Maine.

Contract Awarded for Rock and Gravel

The Massey Rock and Sand company was awarded a contract by the city for the delivery of sand and rock to be used in re-surfacing Village streets. The company bid \$2,340. The Palm Springs Builders Supply company, local concern was second lowest with a bid of \$2,700. Desert Rock company offered to deliver the material for a cost of \$3,224.

Recall Election Decision Now Rests With Judge

Hearing Ends on Nathanson Injunction Suit

Handwriting Expert Says Discrepancies Appear on Petition

Decision on whether voters in the second Palm Springs councilmanic district will go to the polls in a special recall election rested with Judge John Gabbert of county superior court today.

Following two days of arguments, the jurist took the petition of Jerry Nathanson, second district councilman, for an injunction against the recall, under advisement.

NATHANSON, target of recall petitions circulated in his district, asked a permanent injunction against the movement alleging fraud.

On the opening day of the hearing Jerome L. Richardson, Nathanson's attorney introduced as a witness, David Black, a Los Angeles handwriting expert. Black testified that he has checked more than 40 discrepancies in handwriting in signatures on the recall petition. If allowed, these would leave the petition 20 names short.

HE TESTIFIED the discrepancies varied from omission of dates to difference in handwriting between the signatures and accompanying data such as occupations, addresses and so on. Frederick Wing, of Banning, attorney for Dean Pickell who originated the recall petition against Nathanson argued on Tuesday that there was no evidence to prove Nathanson's charges that the signatures were obtained by fraud. He said Nathanson had alleged fraud and would have to prove it. He moved for a non-suit.

JUDGE GABBERT denied his motion for a non-suit after some deliberation. Wing said that discrepancies mentioned by Black had been overlooked in previous court rulings.

Judge Gabbert promised that he would try to "expedite an early decision" on the case.

Calendar

(Furnished by Palm Springs Chamber of Commerce)
SEASON'S OPENING

Oct. 12-13—Third Annual Fashion Fair—Southern California's most outstanding and colorful display of the newest creations in men, women and children's resort wear. This is an invitational showing of fashions from California's top stylists.

Third annual Palm Springs Grand Prix auto races, sponsored by Sports Car Racing association, Airport.

HELPING UNCLE SAM—These Cub Scouts are aiding their Uncle Sam by distributing Defense Bond posters for Tom Holland, local chairman. Behind the window is Robert Saindon, at the left John Strada and at the right Joe Lewis. (Earle O'Day Photo.)

CV Planners Act to End Littering of Desert Roads

Coachella Valley Advisory Planning committee, in session Wednesday night, took steps to keep the desert clean when they posted a \$50 reward for the arrest and conviction of anyone seen dumping garbage or rubbish on the highways or adjacent desert.

The action was taken on a motion by L. C. Lewis of Cathedral City who has long campaigned against the littering of the desert and desert roads.

LEWIS DECLARED that some visitors and even desert residents have taken the easiest way out to dispose of garbage and rubbish. Instead of taking the material to the city dumps available they have dumped it on the highway or adjacent desert and that the situation is not improving.

He believed that with a \$50 reward posted, more of these people could be arrested.

THE PLANNING committee unanimously voted approval of the motion.

Gail Brumwell, superintendent of the Coachella Valley Union high school district, was speaker of the evening discussing the schools of the desert area. Claud McMahan, chairman of the committees sub-committee of schools, was program chairman.

Herb Ecclestone, president, was in the chair.

CUB SCOUTS AID LOCAL DEFENSE BOND DRIVE

Palm Springs Cub Scouts, Pack 80, proved of valuable assistance this week to Tom Holland, chairman of the local Defense Bond committee when, under guidance of Warren Linville, Cubmaster, they distributed Defense Bonds throughout the business district.

Taking part in the distribution were Robert Saindon, John Strada, Joe Lewis and several other members of the pack. The posters urged the public to purchase the Defense Bonds in the campaign which comes to an end next month. Holland highly praised Linville and his Cub Scouts for their help.

Linville said that Cub Scouts activity in full swing would be resumed here next Monday. Registration blanks for Cub Scouts have been sent to every school and are being filled out by eligible boys—those from the ages of 8 to 11.

Lloyd Simon, assistant in the Defense Bond campaign, arranged the details for the posting of the posters by the boys.

THE PUBLISHER'S Corner

SUPPRESSION OF NEWS and control of its dissemination are the first steps which a dictator takes to gain complete control of a nation. It is the first warning signal. The imprisonment of American newsmen William N. Oatis by the communists in Czechoslovakia is an example of the methods used. Americans are enraged over the arrest of this Associated Press correspondent for carrying out an ordinary reporter's assignment of writing the news.

And now—right here in our own country—another danger signal went up this week. It was President Truman's executive order extending tight military security restrictions to all CIVILIAN government agencies on information of possible aid to potential enemies. Everyone knows the importance of restricting the release of military information that might be helpful to an enemy but this broadening of the restrictive measures to all civilian agencies is a dangerous encroachment on the freedom of the American press. It could lead to all sorts of abuses such as the covering up of mistakes in public office. It gives bureau chiefs too great a control of public information. It can be put to political uses—and no penalties are provided for violations.

In times of national emergency we find it necessary to exercise certain controls that would not be tolerated otherwise. At the same time we have to be on guard against letting these controls go too far and become too deeply rooted. The edict of the President this week should be of great concern to everyone. It trends dangerously on their freedom—on the very right for which our sons are giving their lives in Korea—on the principle for which we are spending billions abroad.

Can the Truman administration be entrusted with such a precious right? Can it be depended upon not to make political use of such an opportunity to cover up its mistakes? These are questions which are bound to arise at a time when corruption in federal agencies is smelting to high heaven.

IMPORTANT NOTICE

Change in Publication Day

Effective with the next issue (Oct. 4) The Desert Sun will be issued every THURSDAY instead of Friday. This means that deadlines for both news and advertising will be ONE DAY EARLIER. The cooperation of all of our patrons in remembering these new deadlines will be greatly appreciated.

NOW

In our desire to better serve you, we would like to call to your attention the pending increase in excise taxes on distilled spirits, beer, wine and champagne.

According to the bill prepared by committees of the House and Senate, the proposed tax increase will be based on \$1.50 per gallon of 100 proof spirits, or—

Case 100 proof	
Extra tax per case	
12 quarts	\$4.50
12 fifths	3.60

(Pints, 10ths and 1/2 pints will carry extra tax in same proportion)

Our latest information, obtained from the various trade papers and associations representing the alcoholic beverage industry, is that the effective date for the increased tax will be November 1, 1951.

We suggest you buy NOW while ample choice stocks are still available. This will mean a real saving on the beverages you will need for the Thanksgiving, Christmas and New Year's holidays. Come in and see us, won't you — remember, October will be the last month in which you will be able to buy at today's prices!

Right to Limit reserved.
No sales to dealers. Sales tax added to retail price on taxable items.

Attendance at Schools Still Showing Gain

Current Year Now Well Ahead of Same Date, 1951

The 1951-52 school year was slowly picking up on the 1950-51 year according to figures released by Dr. A. G. Hoff, superintendent of Palm Springs Unified School district.

At the end of the second week, enrollment at all schools in the district was 1394, as compared with 1277 the first day and 1355 the end of the first week.

At the end of the second week last year enrollment was 1359.

Figures for September 25 this year and September 26 last year, compared, are:

Cahuilla	1951	1950
Cathedral City	216	228
Desert Hot Springs	128	115
Frances Stevens	72	61
Katherine Finchy	217	217
Thousand Palms	179	160
Nellie Coffman	14	10
High School	216	207
Totals	352	361
	1394	1359

Dr. Hoff explained that the reason Cahuilla school showed a drop from last year was that the district had been reduced because the school was full up.

From Page One—MORE ABOUT

METERS

parking lot, causing that concern no end of trouble.

REICH WILCO said he foresaw the parking situation in that area when the Village Market was erected with the addition of parking space has found that even that space is too small now and meters would hurt his business.

"Housewives, keenly aware of the high cost of living will shop elsewhere if they are forced to put nickles in parking meters. No traffic situation exists in that area at this time," Reich declared. "I'm for parking meters when that area needs them but it certainly does not now."

TORGAN who said that he has to divide his time between Palm Springs and Los Angeles, said he received a telephone call from his wife asking him to come to

PEEPING TOM—That's what Judge Eugene E. Theriault decided Angel Perez Sanchez, 34, Los Angeles, was doing when he was caught prowling the roofs of a downtown apartment hotel. He was fined \$50 or 25 days in jail when he pleaded that he did not have that much money on his person, the judge allowed him until October 10 to pay he fine. (Sun Photo.)

Publicity

Palm Springs Invades Boudoirs

Palm Springs is in for some new publicity which will be nation-wide and go right into the home.

Anita Haskell Jones who last year designed and placed on the market the "Anita Curler" said yesterday that distribution of the curler had been taken over by the Vonnegut company, national distributors of women's toiletries and that they were placing the curler in stores from coast to coast.

It is now known as the "Hollywood Curler" but still bears the imprint, "Styler in Palm Springs."

"Now I'm on a royalty basis," said Miss Jones.

Palm Springs immediately, "Because the city is planning to surround the hotel with parking meters."

He too claimed that the Safeway officials would have a hard time keeping his guests off the store's parking area and that no parking problem exists around his hotel at this time.

City council voted to table the entire matter and report back at some future date.

Hold Suspect as Molester of Child

Phillip MacFadden, 41, combination waiter and piano player at one of the local cocktail lounges was in county jail today awaiting trial on charges that he molested a child. He pleaded not guilty when arraigned before Judge Eugene E. Theriault Tuesday and was bound over to superior court under \$5,000 bail.

MacFadden who was taken into custody by Police Officer Harvey Bryant is reported to have a record of similar charges filed against him in the past. Chief of Police August Kettmann said.

Suspect Held in Stolen Auto Case

Paul Dean Terry, wanted on suspicion of grand theft auto, was brought back from Beaumont last weekend by Officers Jim Maynard and Bill Jessup. He was arrested by sheriff's deputies.

Terry is accused of driving away in an automobile belonging to Russell Cooke, 227 Via Colusa.

J and S Company Wins Asphalt Award

J. and S. Paving Company, was awarded a contract by Council Wednesday for the delivery of approximately 200 tons of mul-sified asphalt at a cost of \$4,394. There were three other bidders.

Roof Top Chase Traps Suspect After Shot Fired

Angel Perez Sanchez, Los Angeles, father of four children, will be hoarding every penny he can earn between now and October 4.

On that day he is slated to walk into the local court and hand over \$50 or start 25 days in the county jail, a sentence imposed by Judge Eugene E. Theriault, when Sanchez was found guilty of vagrancy after cavorting on roof tops without any reasonable excuse for being there.

PROWLER or Peeping Tom as the police allege, Sanchez was espied on the roof of El Patio apartments opposite the police station at 2 a. m. Sunday. Officer Warren Hockenbary, assigned to investigate, after a careful search found Sanchez on the sun patio of the apartment hotel and ordered the man to surrender.

Instead, Sanchez, in gazelle fashion, started leaping from roof to roof with Hockenbary in hot pursuit. He was finally seen crouching behind an air-vent on the roof of Palm Springs hand laundry.

Ordered again to surrender, Sanchez started off anew. He changed his mind quickly, however, when Officer Hockenbary fired a bullet over his head. He stopped and was taken into custody.

He could give the police no excuse for being on the roof of the apartment but the police believe he may have been contemplating entry or just a Peeping Tom.

Judge Eugene E. Theriault believed the latter and under the law imposed the usual fine of \$50 or 25 days in jail.

Opportunity

Wac-Waf Recruiter Here Each Month

S-Sgt. Louise Silver recently assigned WAC-WAF recruiter for San Bernardino and Riverside Counties was in Palm Springs Wednesday and announced that her schedule will bring her to Palm Springs on the first Tuesday of each month from 11 to 4 at the post office.

"With the recent growth of the U. S. Army and the U. S. Air Force, opportunities for women are increasing in number and diversity," S-Sgt. Silver said. "Many more interesting career fields than ever before are now open to qualified young women! If you are a high school graduate between the ages of 18 and 34 and are interested in serving your country in an exciting new career, you are encouraged to contact me when in Palm Springs or for immediate information contact your U. S. Army and U. S. Air Force Recruiting Station, 125 W. Ramsey street, Banning."

Burglars Crack Desert Provision Safe, Get \$4000

Palm Springs establishments were under special guard last week when word came that safe-crackers had stolen \$4,000 from a company in Banning and escaped.

Chief A. G. Kettmann issued the order for greater precautions as he feared the burglars might be contemplating raids in this vicinity.

Safe crackers entered the es-

Tough One

Wolf-Whistler Makes Get-Away

Police officers on the downtown beat early this week had a hard time solving a knotty problem.

A beautiful damsel, quite distressed reported that "somebody," she didn't know who, "were giving with those 'wolf' whistles."

"It must be a man," she reported to police.

When the police arrived on the scene they conceded the man part of the report but they heard no whistles.

tablishment early in the morning and, using nitro-glycerine, blew the door from the safe.

They left a syringe full of the high explosive behind them and Banning police issued a call to local police for the services of Jim Maynard, explosives expert, to come and remove it. Maynard did.

Albert AbdenNur, one of the officials of the company, said it was the second time it had been burglarized.

It serves Palm Springs and most of the desert area around.

COUNCIL CONSIDERS PLAN TO PUT CITY'S CANINES UNDER CONTROLS

Councilman Jerry Nathanson, in receipt of a letter from Glen Austin, home owner, that "something must be done about the Village's canine population, had the letter read by City Manager Russell Rink at regular session of

city council Wednesday afternoon. The suggestion of Austin, who claims to be the owner of a highly trained dog, met with favorable response on the part of councilmen. They turned the entire matter over to the council's safety committee composed of Earle Strebe, Chairman; Florian Boyd and Ruth Hardy.

Highlights of Austin's let-

ter contained the phrase that "Palm Springs is the dogiest town he has ever lived in and that he advocated the use of leashes for the animals when off their owner's property. This in turn, it was pointed out, would mean that dogs would have to be confined within yards and not permitted to roam at large and at will.

Daylight Time Comes to End Sunday a.m.

Bonelli Rules That Cafes, Lounges Have Extra Hour

At 2 a.m. Sunday morning California, along with many other states, shifts back to standard time after five months of daylight savings.

At 2 a.m. it will drop back to 1 a.m. So don't forget to change your watches—or you may find yourself an hour too early for appointments. William G. Bonelli of the fourth district, state board of equalization, has made it legal. He issued a notice saying that since the state law fixes legal closing time of all places where liquor is sold, they do not have to close until 2 a.m. And since 2 a.m. PDT, will on Sunday be only 1 a.m., PST, lounges and cafes may continue to serve until 2 a.m. PST. That will provide an extra hour work for mixologists.

License Transfer Passes Unprotected

Transfer of the Colonial House on-sale liquor license from the name of Mrs. Thelma Wertheimer Davis to Robert S. Howard, reported purchaser of the hostelry, passed without protest by City Council Wednesday afternoon.

We must breathe life into Civil Defense by increasing public enlistment and training. Without general participation Civil Defense will die. When Civil Defense expires, so expires our only hope of protection against an atomic attack.

Exploding Torch Injures Frantz

Martin S. Frantz, owner of the Springs Trailer Court, sustained third degree burns of the right leg and arms when a blow torch he was preparing to use, ignited in his bathroom. According to police Frantz was pumping the blow torch when highly volatile gas escaping from its spout was ignited by the water heater in his bathroom. The floor of the room caught on fire but despite painful burns, Frantz extinguished the blaze before being rushed to the Desert Hospital for treatment.

Imperial Jurors Indict Cook for Desert Murder

Imperial county grand jurors this week returned a murder indictment against Billy Cook, "mad dog killer" for the slaying of Robert Dewey last January. Dewey, who had picked up Cook as a hitch-hiker, was killed near Ogilby on the desert.

Cook will probably be brought back for trial within a month. The grand jury acted when they learned that a new federal law will make Cook eligible for parole in 15 years. He is serv-

Damage in 6-Day Brush Fire Less Than Anticipated

Damage to the Banning watershed was declared less than first thought by C. O. Barker, Jr., president of the Banning Water company said this week. The fire, which raged for six days, swept almost 14,000 acres, was officially declared out last week. "As far as Banning's water supply is concerned," he said, "We will have as much water as we ever had. All of this water comes from underground sources and there is no danger of pollution."

Barker said the fire did not reach the spreading grounds and that only one-fifth of the area burned over was watershed. ing a sentence amounting to 300 years in Alcatraz for the "mad dog" killing of a family of five in the south. He was sentenced to 60 years on each count.

Palm Desert Sunbeams

By EDITH EDDY WARD

September 29th, is another "opening" at Palm Desert. Mrs. R. K. Hanson, owner, and the occupants of the Palm Desert Patio Shops are holding open house and serving refreshments from 2:00 to 5:00 p.m. in the newly completed business center.

The new drug store, owned by Chas. M. Hughes, Pharmacist, has the friendly atmosphere of the old small town drug store where everyone gathers for the latest news, yet it has all the convenience of the new city drug store with an up-to-date soda fountain where homemade salads and sandwiches will be served to those who want a quick bite.

Then there is the Fun-N-Sun Shop, where Mrs. Lorna Little and Mrs. Martha Duncan will teach the art of ceramics and leather tooling and sell their handmade desert wear and casual ready-to-wear, hosiery, lingerie, etc.

Cregar's Indian Trading Post comes next, where Mr. and Mrs. Robert D. Warner, formerly of Palm Springs, will handle a complete line of reservation Indian jewelry, rugs, baskets, mocassins, etc., all made by the Indians of Arizona and New Mexico.

The Duval Construction Company occupies the next space. Most everyone knows they were the contractors who built the Palm Desert Patio Shops, as well as several of the new homes in Palm Desert.

Jean Harlow Bello (you guessed it—Jean Harlow's mother) is opening the next shop called Antiques, Ltd., where she will display her personal collection of gifts that she has spent years

collecting from all over the world and have never before been offered for sale.

Last, but not least, is your reporter's Real Estate office next door to Antiques, Ltd.

That takes in the six occupied Palm Desert Patio Shops where the informal opening will be held tomorrow. The Hansons have already started construction of two more units, which will be completed about December 15th. Business in the East prevented Mr. Hanson from being here for the opening. Mrs. Hanson will leave for Pittsburg early next week to get ready for the wedding of their daughter, Roberta Louise Hanson who is marrying Ralph Helm, Jr., of Phoenix, Arizona. Thanksgiving week-end, Roberta flew out to Palm Desert this week to attend the opening of the Patio Shops with her Mother.

SHADOW MOUNTAIN ECHOES: Club members down this week to see about opening their homes for the winter season were

Charles and Ruth Milliken; the Bob Crookers who came down with Tom and Margie Brown; Mr. and Mrs. Robert Fithian; and the Harrison Fishers. Verne and Lorraine Peck are busy getting the Palm Desert Adobe ready and the Fred Talbotts are back from Portland, putting the finishing touches on the Sun and Shadow Hotel. Mr. and Mrs. Otto Allgoewer have bought Mrs. Nafziger's apartments—Commander and Mrs. Eugene L. Walter have moved into their lovely new home in Shadow Mountain Estates—the Robert Meylers have started another house—and the Earl Gilmores were down to open their Sun Lodge. More next week.

Villagers Afloat Write Back of Their Travels Abroad

By JAN and GEORGE OLMAN

Wherever you go - you meet a Villager or Village Visitor! Gayle Burns waiting quietly at the airport at Gander, Newfoundland for her Air France plane to Paris to re-fuel and be on its way. . . suddenly she heard her name called. . . imagine her surprise to see the Charles Frisbies of Seattle also waiting at the airport enroute to Scandinavia! You Rotarians will remember the entertaining talk Mr. Frisbie gave at one of the meetings last winter. . . They'll be on the Riviera the same time as Gayle and are looking forward to a get-together at Nice. Gayle writes she hated to leave Paris. . . enjoyed every minute there and attended Jacques Fath and Schiaparelli showings. . . and as to language. . . quote "In Paris I forgot there was such a thing as a sentence. . . one word with the appropriate inflection does very well!"

WHAT'S WHAT IN TRAVEL NEWS—The Stella Polaris has planned a wonderful Caribbean cruise this winter - visiting Mexico, Central America and the Caribbean Islands, all on one comprehensive cruise. They'll have three extensive inland trips - one in Mexico of four days duration - another in Guatemala of three days - and a third in Costa Rica of one day. . . visits will be made at Vera Cruz (for Mexico City) - Porto Barrios (for Guatemala City) - Port Limon, Costa Rica (for San Jose), Cristobal, San Blas, Cartagena, Curacao, Barbados, Port de France, St. Pierre, Antigua, St. Thomas, Ciudad Trujillo, Kingston and Montego Bay in Jamaica, Port au Prince, Havana, - and return to New Orleans!

NORWEGIAN "OSLOFJORD" planning for its Mediterranean Cruise next February. This was an outstanding success last winter. Mr. and Mrs. Charles Chamberlain who were booked to "cruise" on the cruise last winter and had to cancel - are now looking forward to enjoying the Mediterranean blue waters and blue skies this winter. Same ship will make a West Indies Cruise January 18th for eighteen days.

SENOR ANR SENORA ERNEST ALSCHULER have been sending back messages of "having a grand time" on their tour around South America. At this moment they are cruising slowly back to New York from Peru aboard the beautiful "Santa Barbara" of the Grace Lines!

A bulletin from the editor of Sunset Magazine tells about the new paved highway from Mexicali to San Felipe. This center of the fishing industry is a primitive adobe village but well supplied with tourist camps, motels, and fishing boats. And according to Ralph Shelley of "toys for men" - the fishing is good! And its close by!

THINGS THEY LIKED BEST - Paul Aust - "the East Indian dinner at Scheveningen, beach resort near Amsterdam. . . and

the wonderful city of Vienna!" Mildren Jackson, just returned from CARONIA cruise to Scandinavia and an air tour of Europe - "the historical buildings in Rome". Gayle Burnes (so far) - "the Louvre in Paris" Gwyneth Cobb and daughter Caroline enjoyed their second Hawaiian summer very much - and her mother, Mrs. Fisher, on her first visit to the Islands. . . loved every minute of it. . . "the Garden Island of Kauai was my favorite. . . and the lava flow on the island of Hawaii was the most fascinating sight! And the beautiful exotic flowers!"

BW Club to Meet Monday

Palm Springs Business Women's club will meet at a buffet get-together Monday night at 7:30 o'clock at 629 El Placer. This meeting will mark the start of the new season with many plans for another successful year to be considered.

Mrs. Georgia Lish Kettmann, president, will preside. It is her second year at the helm of the club.

William Seitters Extend Vacation

Mr. and Mrs. William Seiter, had no sooner returned from three months summer vacation on Balboa Island when they took off for a five week's Eastern jaunt.

They left by train Monday and will spend a couple of weeks in New York, then motor through the New England States and stop in New Orleans for a week on their way home.

E. V. Lathrop, sales representative of the Olympia Brewing Co., visited Palm Springs this week.

Many from Village Younger Set Returning to College

It's back to school and college for younger set and the exodus has been brisk for the last few days.

Jean and Gayle Hicks, daughters of Mr. and Mrs. Harold Hicks, left last week to enter girl's schools on the Coast. Jean returned to Immaculate Heart in Los Angeles where she studied last year and Gayle joined the junior class in Anoka School, Arcadia. Also transferring from Palm Springs high school was Eleanor Purcell, daughter of Dr. and Mrs. Frank Purcell, who has entered Flintridge Sacred Heart.

Carol Malout, daughter of the William B. Maloufs has returned to Anoka School for another year. Her older brother, Gary, resumed his studies at Pasadena City College.

Four boys, members of last May's graduating class at Palm Springs high school, also were off to college this month.

Bill Hotchkiss, son of Mr. and Mrs. Newton Hotchkiss, has entered Cal-Poly in San Luis Obispo.

Jeremy Crocker, son of Mr. and Mrs. Francis Crocker, has enrolled at Cal-Tech in Pasadena.

Bob Mennell, son of Mr. and Mrs. Herbert R. Mennell, is pursuing his college career on the U. C. L. A. campus in Westwood.

George Ritter Jr., son of the George Ritter's has enrolled in Pomona College.

Ken and Chase Colborn, sons of Kenneth Colborns, returned to college last week after spending the summer on the Coast with their parents. Ken is a senior at U.S.C. and Chase a junior in Dartmouth.

Sandra Cordrey, daughter of the Earl Cordrey's, and Diane

and Daphne Young, daughters of Dr. and Mrs. Richard Young of Palm Springs and Omaha, have entered Stephens College, Columbia, Mo.

Christopher Seiter, son of the William Seiters, has returned to Webb School for Boys, as has Bill Bailey, son of the Arthur Bailey's. Joining Bill this year is the Bailey's younger son, Boner.

David McManus, son of Mr. and Mrs. Walter McManus is at Villanova school, Ojal.

Scripps College students from Palm Springs include Joanie and Marilyn Marsh, daughters of the Murray Marshes. Deidre Tracey, daughter of Mr. and Mrs. C. L. Gougler, and Sue Oliver, daughter of Norma Oliver and Dr. James B. Oliver. Ann Oliver has transferred from Palos Verdes College to University of Wisconsin. Accompanying her to the Eastern University was Sally Pulitzer, daughter of Dr. and Mrs. H. F. M. Behneman, who enters as a freshman. Diane Cross, another graduate of Palm Springs High School this year has enrolled at the University of Arizona.

In the Stanford contingent leaving Palm Springs last week in time for "Pre-Reg Week" were Thoma Parker, Mary Pendery, Bea Bailey, Janet Jaynes, Ed Griffing and Dick Shea all entering the freshman class. Ben Chaffey, Nicky Nichols and Nona Lake have returned for their junior year at the University.

Natalie Zirinsky, daughter of Mr. and Mrs. Edward Zirinsky, graduate of Palm Springs High School, has entered U.C.L.A. for her freshman year.

Cahuilla DAR Opens Season on Thursday

Announcement was made this week by Mrs. Edna Brott, regent of Cahuilla chapter, Daughters of the American Revolution, that the first Fall meeting of the chapter will be held October 4 at the mountain cabin of Mrs. P. M. Swart at Barton Flats in the San Bernardino mountains.

Discussion of plans for the new season and reports of the summer vacation of members will mark the session.

Mrs. Frederick J. Watson is in charge of transportation arrangements and may be reached at telephone 3324.

Season to Open at Del Tahquitz Tomorrow Night

Saturday night will find much gaiety taking place at Del Tahquitz hotel when the joint opening of the famed El Gaucho Room and the new Bolero Room take place. Open House will begin at eight and everyone is invited to join the fun.

The Bolero Room, new in the Village, will be under the direction of Ralph and Gina Olsen who are widely known in the Los Angeles area and lately were connected with the Chucker Restaurant in San Mateo. Olsen said that at the stroke of six p.m., Saturday, the Bolero Room will open for dinner and dancing. Dining will be in a carefree atmosphere and the food will be only the very finest.

Mrs. Gene Torgan, manager of the hotel, is extremely pleased that the Olsens could come to Palm Springs to manage the new dining room.

George Beebes Back in Village After Long Trip

Mr. and Mrs. George Beebe, 1450 Mesquite Avenue, haven't changed their minds about Palm Springs after 15,000 miles of motoring from Coast to Coast and points north and south. In fact, they say it looks even better than ever to them.

Included in the Beebe's itinerary were Reno, Lake Tahoe, New York, the Catskills, Lake Placid and Rochester, New York, where they spent three weeks with Mrs. Beebe's family, the T. Begandy's. En route they visited their son, George Jr., who is stationed at Ft. Bliss, and on their return were guests of their son-in-law and daughter Mr. and Mrs. Edward Ellis at their home in Vacaville, Calif.

Shriefers Return from Long Beach

Mr. and Mrs. L. H. Schriefer, resident manager at Vista del Sol, are back for the season. They spent the summer in Long Beach. They have been at Vista del Sol for three years. He is a retired navy commander. Sunday they celebrated with their daughter, Dixie Lee, on her twelfth birthday with a party at Shadow Mountain club.

Visit at Balboa

Mr. and Mrs. Sam Henderson spent several days visiting the Ray Corn family at Balboa. Corn is general superintendent of the Santa Ana freeway project.

OPTIMISM . . . is the word for the 1951-52 Season!

There are many good reasons to believe that the Palm Springs Resort Area is now launching upon the Greatest Season in its colorful history. Greatly enlarged facilities for the enjoyment of winter residents and vacationists are bound to attract many new people. Never has the Area been able to offer visitors so much to enhance their vacation, or winter sojourn, in America's finest winter climate.

The facilities of Thunderbird Club will be opened to members and their guests next Monday—October first. Play on the Golf Course will start on October 14th.

On this occasion of the opening of our Second Annual Season we extend best wishes to all of the members and friends whom we will look forward to seeing again soon.

Miss Denney, Herbert Tice Plight Troth

In one of the most beautiful weddings of the year last Saturday, Miss Marilyn June Denney, daughter of Mr. and Mrs. Russell Denney, became the bride of Herbert C. Tice at the home of her parents at 1535 South Calle Marcus.

Dr. James H. Blackstone Jr. of Community church read the ceremony.

Fifty guests assembled for the ceremony. Shirley Ann Denney, sister of the bride, attended as bridesmaid. The bride's brothers, Robert E. Travis and Robert King Denney attended the wedding party.

Soft wedding music by Mrs. Flossie Westbrook of Nuevo, preceded the ceremony.

The bride wore a satin ballerina length gown trimmed with net, lace framing the neck line. She carried white gardenias and carnations. The bridesmaid was attired in a yellow ballerina length net gown carrying white chrysanthemums with yellow centers to match.

A reception followed the double ring ceremony after which a huge three-tiered wedding cake was cut and refreshments served.

Among the guests were: Mr. and Mrs. H. R. Tice, Hollywood; Robert Beebe, March Field; Mr. and Mrs. Walter Henderson, San Fernando Valley; Mr. and Mrs. James Wright, Glendale; Miss Edna Wilkins, Riverside; Miss Bernice Swezey, Miss Betty Lyle Westbrook, Westwood Village; Mr. and Mrs. Floyd Tucker, San Bernardino; Mr. and Mrs. A. P. Dowden and daughter Lucille; Mr. and Mrs. Charles Judson and daughter Beverly of Riverside; Donald Westbrook, Allen Westbrook; Mrs. Herbert H. Wyman, all of Nuevo; Mrs. Rose Vogel, Riverside; Mrs. Don Warr, Miss Pat Dunn, Chino; Mr. and Mrs. Willard Youngdahl, Riverside.

CUTTING THE CAKE—Mr. and Mrs. Herbert Tice (she is the former Marilyn June Denney), cut the wedding cake after their marriage at the home of her parents, Mr. and Mrs. Russell Denney, last Saturday. (Oden Proctor Photo.)

SHADOW MOUNTAIN ALL READY FOR BIG SEASON

Last Saturday marked the reopening of facilities at Shadow Mountain Club. The swimming pool was resplendent with its new coats of paint; the lawn all around the area has been rejuvenated and fresh grass is coming up; construction has been started on two shuffleboard courts; a change of color in the entire theme of the whole club is under way with new green and yellow coverings on pool and terrace chairs.

Saturday night cocktail party at the club was a declared "Desert's most pleasant hour" on the terrace brought out many members who stayed to have barbecued chicken and ribs, around the Snack Bar.

Painters, carpenters and workmen of all types will still be on the job up until October 19,

which date marks the informal opening of the clubhouse and dining room.

Maynard Strahl, new club manager, plans many surprises for members and guests. The cocktail hour will be held on Friday night throughout the season from 6 to 7 p.m. The "Harvest Moon Ball" will highlight the informal opening week-end, on Saturday, October 20th, with Western theme and entertainment, including a milking contest with "Farmer Cliff Henderson" challenging all comers. The latest in Western styles will be shown on the Terrace Sunday afternoon, along with Shadow Mountain Club's famous Buffet.

The "Shady Racquetters" have started activities again on Thursday evenings, and Flo Allen, tennis pro last season, will be back again starting November 1. Many top tennis tournaments are being planned at the club. Wednesday and Friday nights, movies will be shown, and there will also be the Travel and camera club on Sunday nights.

Miss Gertrude Hunt Returns to Village

Expected back in the Village Monday is Miss Gertrude Hunt of Brattleboro, Vt. Miss Hunt has been a winter Villager for many years. She spent the summer at La Jolla this year.

Trixie Jarrette Returns to Open New Studio Here

Trixie has returned to the Village and opened her new dance studio at 670 Palo Fierro with big plans for an active season.

She plans many new classes as well as the standard ballet, tap, acrobatic, Spanish and others.

Among other things, she is planning a big time ballet in conjunction with the high school orchestra and several piano recitals during the winter months.

During the summer she was in charge of the Audrey Shure School of Ballet in Long Beach.

Auxiliary to Hear Story of Girl's State

A special treat is in store for members and visitors attending the next regular meeting of Owen Coffman Unit No. 519, American Legion Auxiliary, Tuesday, October 2, at the World Wars Memorial Building, at 8 P.M.

Mary Jean Lennie, senior student at Palm Springs High School, who was chosen to represent the local unit when 347 girls from 622 Units of the Auxiliary throughout the state, gathered at California Junior High School in Sacramento from June 20 to 28, for the 8th Annual session of California's Girls' State, will give her interesting account of the week spent there.

The Palm Springs representative received the honor of being elected Girls' State Superintendent of Public Instruction, and has recently been elected to the office of historian for the 21st District Girls' State's Alumni Association. Owen Coffman Unit, her sponsoring organization, is sharing in the pleasure of her honor and recognition from so many outstanding girls, for girls, for each girl in attendance at Girls' State is selected on the basis of high school standing, leadership, high moral character, and interest in government.

Mrs. Lou Billington, president, will preside at the business session of Tuesday's meeting, when important matters pertaining to early activities of the unit will be considered.

Mrs. N. F. Jones Ends Vacation

Mrs. N. F. Jones, 466 Valmonte del Sur, has returned to the Village after being away most of the summer. After a month spent at her Balboa beach home she went by train to Virginia and motored back with her son, Arthur, who is now in San Francisco taking his internship at the Langley-Porter Clinic.

Another son, Bobby Jones, is now stationed at Infantry Headquarters in Korea where he is serving as a radio operator.

Frank W. Camps Back in Village

Mr. and Mrs. Frank W. Camp have returned to the Village and opened their home on Mission road.

They spent July and August visiting old haunts in Colorado, their native state. After leaving there, they motored to La Jolla to spend a few days at the beach resort returning to Palm Springs.

Florida Editor at Mountain Home of G. K. Zains

Mr. and Mrs. Lee Hills of Miami, Florida, were guests last week of the George K. Zain's in Lake Arrowhead where they have spent the summer. Mr. Hills is managing editor of the Miami Herald and with Mrs. Hills was en route to San Francisco to attend a meeting of Associated Press Managing Editors Association. Mr. and Mrs. Zain returned to their home on Mesquite Avenue Sunday.

D. C. Stachler Honor Guest

D. C. Stachler, of Stack's Chevrolet agency here, was happily surprised on his birthday last Friday by members of his staff. The party was staged at the Banning home of Russell Mitchell who is on the Stachler staff.

Guests at the party honoring Stachler were Mr. and Mrs. Paul Underwood, Mr. and Mrs. Wil-

Soroptimists Prepare for Convention

At Tuesday's initial meeting of the season for Palm Springs Soroptimist club discussion centered on the coming gathering here of 250 officers and delegates from 35 Soroptimist clubs in the fourth district of the Southwest Region of Soroptimist. The district covers southern California, Arizona, Nevada and New Mexico.

The sessions will be held here November 17 and 18 and Katherine Finchy, regional director, charter member and first president of the local club, is in charge of the arrangements.

Mrs. Laura Greeley, president presided at the first meeting of the season Tuesday at the Chi Chi. The meeting was a business session. Next Tuesday the club meets again when visiting Soroptimists and guests will be welcome.

Ilan Frantzreb, Mrs. Stachler and William Parker.

There were appropriate decorations, a big dinner and a large birthday cake.

Courthouse Bond Issue Under Study

Supervisors Now
Consider Larger
Building Program

Majority of County Supervisors said Monday they may propose a bond issue to make a major enlargement of the county courthouse.

Last week a majority had said they might propose a bond issue of \$1½ million to replace two "firetrap" buildings: the administration building of the General Hospital and the main building of the Juvenile Hall. Monday a majority said they thought it would be a good idea to enlarge

the courthouse, too, which occupies a square block on Main Street in Riverside.

THEY DID NOT estimate the cost. But other officials have estimated that any major expansion would cost one million. One plan, now on file with supervisors, is for the erection of four or more stories on the southeast corner of the courthouse.

A committee of elected county officials headed by County Clerk Gordon Pequegnat brought the proposal for additional office space to supervisors Monday. The committee includes District Attorney William Mackey, County Recorder Jack Ross, County Assessor Frank Burchfield, County Treasurer Sherman Whitnah, County Surveyor A. C. Keith, and County Tax Collector Marguerite Hyde.

THE COMMITTEE said many offices are so cramped that employees must spend valuable time digging records from hard-to-reach, improvised nooks. They said the lack of space reduces efficiency and the quality of service to the public.

At least three of the five county supervisors seemed to agree with the committee that it might be well to propose a bond issue to add office space. They were Ray Hayden, Beallie Barnes, and Homer Varnor.

One supervisor, William Jones, was not enthusiastic. He said he was all for replacing the buildings at the hospital and at the juvenile hall, but he said he did not think enlargement of the courthouse was essential.

SAFETY LESSONS—Harry Van Gorp, local representative of Central Motors, delivers the keys to a new dual control drive Ford to Dr. A. G. Hoff, superintendent of Palm Springs Unified School district while Chief of Police A. G. Kettmann, George Bond, school district transportation chief and William H. Skellett of the Automobile Club of Southern California look on. The car was presented to the school district by Ben Cowan of the Ford agency to aid in safe driving classes being conducted at Palm Springs High. (Gayle Studio Photo.)

Renew Safe Driving Class for Pupils at High School

Palm Springs high school pupils will again have an opportunity to learn safe driving methods through the courtesy of Ben Cowan, local Ford dealer who presented the district with a dual drive Ford for use in the

driving classes for the third time. The car will be used in "laboratory" work on the highways by pupils in the driving class to put into practice the lessons they are taught about driving in the classroom.

HARRY VAN GORP, Cowan's representative here, presented the keys to the Ford to Dr. A. G. Hoff, superintendent of the Palm Springs Unified School district this week as Chief Kettmann, George Bond, school transportation superintendent William H. Skellett of the Automobile Club of California looked on.

Ray Breezley is in charge of the class work in the driving class and Bond is in charge of actual driving instruction in the dual control car.

POLICE CHIEF Kettmann promised complete cooperation of the department in the safe-driving lessons as he has given in the past two years.

Bond declared that the driving schools have already proven their worth with accidents, arrests and warnings occurring almost six times more among juveniles who did not take the course as among those who did.

Blood Bank, Red Cross Plan for Joint Program

A joint meeting of the San Bernardino-Riverside Community Bank with local and National American Red Cross representatives was held recently to discuss advisability at this time of the Community Blood Bank taking over the responsibility of Red Cross for procuring Blood for defense.

Those in attendance representing the Community Blood Bank were Fred E. Mack, president; Miss Raquel McClelland, executive director; Donald E. Bailey, administrative director (retiring); Dr. Leonard M. Taylor, Harry Harper, C. W. Dutton, board members. Those representing the American National Red Cross were: Dr. Max Chapman, Pacific area director of the National Red Cross Blood Program and William Spueck, assistant regional director of San Francisco. Ed Schottland, regional director of the Red Cross Blood Center in Los Angeles and executives of the five interested chapters were present.

THE LOCAL BANK, in operation but three months, felt that they were now in a position to process 1200-1500 pints of blood per month (quota for the two counties) for defense in addition to that processed for civilian use in the two counties.

They anticipate that they can process this amount for approximately \$6.50 per pint. This figure would decrease in proportion to the volume processed. This cost is carried jointly by the defense department and Red Cross. Red Cross would continue to have full responsibility for recruiting donors for Blood for Defense.

RED CROSS chapters who have been served by Mobile Units from the Red Cross Regional Center in Los Angeles during the past year, felt that as long as equipment was available they would prefer to continue as a part of the Red Cross program. One important reason for this decision is the fact that blood is processed in the Center for an average of \$4.84 per pint.

The mobile equipment of the Los Angeles Center is now prepared to make overnight trips, which means that any community within the two counties who want a "Blood for Korea Day" may have it.

Some months ago the Community Bank suggested that chapters continue having the Red Cross unit collect Blood for Defense and in view of the emergent need at this time the chapters have made commitments into 1952, which they feel they should fulfill. With 500,000 population in the two counties there is blood enough for all.

BLOOD BANK officials felt

that now their facility is in full operation there was no longer a need to bring in the Los Angeles unit. However, they did feel that it was a matter that was entirely up to each chapter and that such decisions should come from the chapter board.

Red Cross chapters are thoroughly cognizant of the need for blood for civilian use and feel that under either plan each in the recruitment of blood, both can be of much help to the other for Defense and for the use of our neighbors.

It was consensus of all present that for the present at least Red Cross mobile units will visit all sections of the counties procuring blood for the military. Mobile units from the Community Blood Bank will also visit all communities for blood for civilian use in local hospitals.

Hot Rods

They're Target of
Many New Laws

Motor vehicles laws affecting automobiles weighing more than 1500 pounds, particularly aimed at "hot-rodders" went into effect September 22. Chief of Police August Kettmann announced yesterday, "and we plan to enforce them rigidly too."

The law among other requirements to numerous to mention provides that stripped down "clunks" must have fenders, reduce the noise of mufflers and to be made safer to both the operator and others on streets and highways. Chief Kettmann said, "Owners of such cars may have two mufflers," the Chief said, "but they cannot be any noisier than other automobiles."

Approve Removal of Five Buildings

City Council approved a contract with Joe Leonard, contractor, for the removal of five buildings at Hatcher's Court to new sites on the property to permit the widening of Indian avenue.

The job calls for a city expenditure of approximately \$2100 and also includes the digging of new cesspools and re-erection of new porches.

Board Holds Up Action on Joshua Park

File U.S. Request
to Give Miners
Time to Answer

County Supervisors Monday received a formal request from the U. S. for 7500 acres of land in the Joshua Tree National Monument, but postponed action in order to allow miners to prepare a protest.

They gave Col. M. O. Nordstrom, president of the County Chamber of Mines, two weeks in which to reply to the Federal Government's contention that the land is useless for anything but a roadway through scenery of gaunt, arid beauty.

THE COUNTY acquired the 7500 acres when their owners gave the property up as a bad deal and failed to pay property taxes.

Monument Superintendent

Frank Givens appeared before the Supervisors last month and told them informally that if they gave up the land the Federal Government would have a road over it. Yesterday he sent the Supervisors a formal request.

The 7500 acres all lies in the Pinto Basin.

Givens said: "Today there is not a structure or development of any kind on the aforementioned section (the land requested by the Federal Government). The sections are not potential mining areas."

"THE BASIN is filled mainly with sand brought in by strong winds and desert floods."

He said that at present only a long dirt road—shunned by tourists because of its sands and dust—travels through the Pinto Basin.

He said: "An oiled road through Pinto Basin would encourage visitors to see a great deal more of the Monument, would permit them to visit Coachella Valley on the same trip and, incidentally, would increase travel through Indio, Palm Springs, and other parts of Riverside County."

It's a hard and admitted fact that the military is not and can never be capable of offering complete protection for our cities either against atomic bombs or biological warfare or chemical warfare. The brunt of these attacks must be borne by Civil Defense.

SIGN OF THE TIMES—Sally Gilbert of San Francisco gets chummy with this elephant for a reason. The Young Republics of California are meeting at Visalia October 6-7 to create a political strategy for 1952 and Sally is advertising the event. There'll be some changes made then according to Moulton Phillips, Riverside, Young G. O. P. president and Proctor James, Redwood City, conference co-ordinator.NN

Desert Artists Notified of 7th Annual L. A. Art Festival

Jeanne Coutts Anguiano and other members of the Allied Arts association of Palm Springs have received notice from the department of Municipal Art, Los Angeles, of the seventh annual All City Art Festival from Edward Kepp, coordinating art chairman and several desert artists are planning to participate.

The Festival, the most extensive in America, will be held in the Greek Theater October 12 to 28 and outdoors in eight city parks Oct. 12, 13, and 14. The competition and exhibition of painting and sculpture is open to all professional and amateur artists free of charge residing within a radius of 125 miles of Los Angeles. Works for all exhibitions must be submitted to the Greek Theater, Griffith Park, Vermont entrance September 30 and October 1 between 12 and 8:30 P.M. All works placed on view at the Greek Theater and in the parks will be selected by juries for the park exhibitions and the Greek Theater exhibition.

The Greek Theater exhibition will be open daily 2 to 8:45 p.m. Oct. 12 through Oct. 28. Mayor Bowron will present the awards to Greek Theater winners at a public reception at the Greek Theater 4 P.M. Oct. 14.

Dance Permits for Five Spots Approved

Dance permits for the Owen Coffman Post of the American Legion, Chi Chi, Rogers Ranch Club, the Desert Inn and the Doll House were OK'd by city council men Wednesday afternoon subject to routine inspection by the Palm Springs Fire Department.

Youth Must Face Second Charge of Auto Theft

Automobiles that belong to somebody else have an irresistible attraction for Paul D. Terry, 19, Chief of Police August Kettmann declared yesterday.

For the second time in his 19 year life Terry was arrested and arraigned before Judge Eugene E. Theriault and admitted that he had driven off in an automobile that did not belong to him.

HE WAS RECENTLY released from Twin Pines, Riverside county juvenile detention camp where he was sent on a similar charge arising from the theft of an automobile in Palm Springs.

Terry's latest escapade happened this way according to police records.

He was passing the Russell Cooke home at 227 Via Coloso around 10 p.m. Tuesday night and spied the family car parked in front of the house.

A FEW MINUTES later when Cooke came out he found his automobile missing and immediately called the police. That was at 10:15 p.m. according to Police Clerk Georgia Lish.

She quickly reasoned that the thief may not have gotten very far and immediately telephoned Banning Sheriff's sub-station

All County Laws to be Codified in Three Volumes

County Supervisors Monday authorized County Clerk Gordon Pequegnat to compile and systematize all county ordinances into two or three volumes.

They agreed with Pequegnat that the collection of the ordinances, now occupying many separate files, would be a great service to officials and the public.

Pequegnat said the county did it before, in 1942. But, he said supervisors have adopted many amendments and many new ordinances since then.

Pequegnat said one volume would contain the lengthy ordinance that controls the salaries of all county employees, another would cover the county's zoning laws, and the third which would be the largest, would contain all other ordinances.

He said supervisors might see fit to repeal many ordinances that no longer serve a useful purpose before he gets ready to make the printing. He said that in 1942 supervisors repealed more than 600 ordinances.

and reported the thief. At 11:15 Beaumont police telephoned that the automobile had been intercepted with Terry behind the wheel.

He is in the Riverside county jail awaiting trial in court.

Sisters Report Car Clouter is Active

Two sisters, both of whom work in a local cafe, reported to police that their 1951 automobile had been broken into and rifled of approximately \$356 in personal, clothing and suitcases.

The car "clout" the first of the new season occurred on a downtown parking lot Monday night between the hours of 6 and 8 p.m., police reported.

Motorcycle Officer Poe Back on Job

Motorcycle Officer Howard Poe is back riding that two wheeled vehicle on the streets of the Village seeking transgressors against the motor vehicle laws of state, county, and city.

All of the above because Poe and Mrs. Poe have just returned from his annual 29 day vacation spent here and at coastal beaches.

WIDE VARIETY OF SUBJECTS FOR ADULTS IN EVENING HIGH SCHOOL

Palm Springs Unified School district offices announced this week that adult evening high school classes would start next Monday, October 1, when grown-ups will be offered a wide variety of courses.

According to Chester Sproule, principal of the evening high school, new classes this year will include shorthand-typing combination class; one for radio "hams" working for an amateur license; and an Americanization class for people wishing to get their citizenship papers and a course in business English. Anyone desiring to enroll may do so at the high school office or at the first scheduled meeting of the class. The complete schedule is as follows:

Classes, instructors, time and place for the evening high school are listed below. All classes are at high school unless otherwise indicated.

Monday:
Beginning Square Dancing, Wayland Reynolds, 7:00-10:00 p. m., Cafeteria.
Conversational Spanish, Scott Thompson, 7:00-9:00 p. m., Room 9.
Community Chorus, Harry Tomlinson, 7:00-9:00 p. m., K. Finchy School.
Jewelry & Leather Craft, Susie

Kieffer, 7:00-10:00 p. m., Room 7.
Beg. & Int. Folk Dancing, David Van Netta, 7:00-10:00 p. m., Frances Stevens School.
Landscape Painting (Nov. 5), Wilton McCoy, 9:00-12:00 p. m., Desert Art Center, Cathedral City.
Tuesday:
Woodshop & Upholstering, Christian Collins, 6:00-10:00 p. m., Woodshop.
Bookkeeping & Elem. Acct., Charles McDonald, 7:00-10:00 p. m., Room 1.
Shorthand Typing, Ralph Remy, 7:00-10:00 p. m., Room 4.
General Crafts, Lorna Little, 9:00-12:00 p. m., Rancho Trailer Park.
Wednesday:
Conversational Spanish, Scott Thompson, 7:00-9:00 p. m., Room 9.
Metal Shop, O. J. Flesher, 7:00-10:00 p. m., Metalshop.
Hooked Rugs, Jessie Dering, 9:30-12:30 p. m., Rancho Trailer Park.
Landscape and Portrait Painting, Alberta Babcock, 7:00-10:00 p. m., Desert Hot Springs School.
Amateur Radio John Weeks, 7:00-10:00 p. m., Room 13.

Winter Resident Named Chairman by National Firm

David H. Margolis, president and general manager of the Metropolitan Clothing Co. of Dayton, Ohio, since 1940, has been elected chairman of the board, the firm announced Wednesday.

The post is a new one in the Metropolitan organization.

Two other executive promotions also were announced by officials of the clothing firm.

Robert S. Margolis, associated with the company since 1936 and vice president 11 years, was named president and general manager to succeed his uncle.

John A. Margolis succeeds his brother as vice president and will retain his position as secretary of the company.

THE NEW BOARD chairman, in announcing the reorganization, stated that "the large expansion program now under way by the Metropolitan is the reason for the management changes."

David Margolis, associated with the company since it was founded by his brother, the late J. H. Margolis, in 1913, is a graduate of the University of Dayton and attended Columbia university. He is vice president of the Dayton Retail Credit bureau, a member of the advisory board of the Dayton Community Chest and active in civic affairs. He is a former member of the University of Dayton athletic control board.

HE OWNS a home in Palm Springs at 1381 Camino Mirasol where he spends every winter.

He also is a member of several business organizations, and recently spoke at the Northwestern university school of marketing. During the last 10 of his Metropolitan, the firm has led the nation as the largest advertisers of men's wear.

In a letter to The Desert Sun this week he said that each week "when we get our copy of The Sun we long for our home in Palm Springs and we will be there soon, I hope."

Casual Aire

Getting Ready for
Royal Palms Shop

Bob Morris of the Casual Aire said that plans for a grand opening in their new shop in the Royal Palms hotel are being mapped with Jean Morris in Los Angeles buying the latest in women's fashions for the event. Morris said that many innovations in display of merchandise and ideas in fixtures will be incorporated in the new store. "Village shoppers are due for a surprise," he said.

Idle Hour

Cafe to Re-Open
Tomorrow Evening

Announcement was made this week that the Idle Hour Cafe at Desert Hot Springs would re-open for the new season tomorrow night with music by Ben Massie and his Rhythm boys and a gay evening.

Edith Gillilian is in charge of the popular spot with tops in food and refreshment offered. There will be dancing every Saturday night.

Former Villagers Now Operating Inn at Beaumont

The Misses Florence and Bernice Gaskell and Ruth E. Allen who built and operated the La Cita from 1934 to 1943 and then went to Laguna Beach where they operated the Victor Hugo Inn from 1943 to 1948 are again in business.

They went to Beaumont to retire but are now at the Fireside Inn in the Pass city.

The place has been completely remodeled and redecorated by Edward-Dean of Los Angeles.

Newspapers Best Medium Advertising Leader Says

Business Executives Told Public Has Long Established Confidence in Newspapers

The basic and best advertising medium will continue to be the newspapers said George W. Irwin, advertising company president, in a talk to the Executives association in Los Angeles.

"The newspaper was, is and will be the prime factor in advertising," he said. "It has won a permanent and top place in public acceptance."

Irwin told the executive that "for the next four or five years advertising will be in a bonanza such as has never been realized before." It's high point will be in the southern California area, he said, "the greenest pasture for business in the entire nation."

PREDICTING "there'll be more advertising in Southern California in the next two years than has been seen in the last five," Irwin continued.

"A vast expansion of advertising, not only here, but throughout the nation, is indispensable to the nations welfare."

"The expanding economy which we must have, and increased government expenditures, can be achieved only by

increasing the dollar take in American business.

"TO GET that increase dollar take, business must increase its advertising."

"The basic advertising medium will continue to be, as it has been, the newspaper."

For Southern California, Irwin foresaw, among other things: "More Eastern companies expansion than in any other section of the nation."

A highly-accelerated stock and bond business, as brokers educate the general public in investments, and thus bring into industry the money it will need for expansion.

Mrs. Frona Gill

Injured in Fall

Mrs. Frona Gill, well known Villager, was recovering slowly at her home, 300 Andreas road, today from injuries received in a home accident recently.

Mrs. Gill, who is on crutches, was watering the patio at her home when a crutch slipped and she fell to the ground. Her left shoulder was dislocated and she was severely bruised in the mishap.

Town & Country Restaurant Will Open Tomorrow

Town & Country restaurant in The Center will re-open for the 1951-52 season tomorrow, Oscar Gilbert, manager, said.

Gilbert has just returned from Sweden where he spent the summer and brought back with him Enar Edstrom as chef. Gilbert also studied new methods in preparing Smorgasbord and other new dishes.

He also plans to add a catering service.

Town & Country will serve, as usual, a Continental luncheon from noon until 3 p. m., a special merchant's luncheon, evening dinners and a Smorgasbord buffet from 5 to 10 p. m.

From where I sit... by Joe Marsh

Skip Makes a Slip

Miss Gilbert, the teacher, was telling me how Skip Lawson almost went to sleep in her physics class.

She noticed him nodding and—since they were discussing electricity—said in a loud voice: "Now maybe MR. LAWSON will explain what electricity is." Skip started up, looked around wildly, and blurted out, "Gee! I used to know, but I forgot."

"What a loss to science!" sighs Miss Gilbert. "No one to this day knows what electricity really is, and here we have a genius who could explain it—but forgot!"

From where I sit, I hope this taught Skip that you're better off if you admit you don't know all answers. Some grownups haven't learned that yet—like the ones who are always telling other people what's best and what's right and what's wrong. I like a temperate glass of beer, myself, but if you prefer buttermilk I won't argue. I've seen too many "know-it-alls" turn out to be wrong!

Indians Meet Imperial Hi Here Tonight

Start RCL Play
at Coachella With
Arabs Next Week

Palm Springs high school Indians will meet Imperial high in the second pre-league game of the season tonight on the high school gridiron with the kick-off set for 8 o'clock. It will be the last practice game for Coach C. E. Ballagh's boys before they start defense of their Riverside County League championship.

A week from today the Indians go to Coachella for their traditional league opener against Coachella Union high school's Arabs.

FIRST HOME league game is against Banning on October 12. On October 19 the boys go to Hemet, meet Perris here October 26, go to Beaumont November 2, to San Jacinto, November 9 and close the season against Elsinore here November 16.

Last Friday the Indians opened the season here against Valencia high of Placentia, Orange county. It was an inauspicious opening for the home lads lost 12 to 13.

FAILURE TO BOOT for the extra points cost them the game. One would have tied, two won.

Billy Spencer scored in the first for Palm Springs to give the Indians a 6-0 lead which they held until the final period when Valencia scored and converted away around end to score for Palm Springs but the goal was again missed and the locals held a slender 12-7 lead.

Valencia won the game with a minute and a half to play on a 37-yard pass play, missed the point but were ahead one point, 13-12, a margin which they held.

Naval Reserve to Renew Local Schedule Soon

Village men interested in joining the local Volunteer Naval Reserve Electronics platoon which will soon renew weekly meetings here were asked to contact Charles Woodman, city

NOW IT SEEMS BLACK IS AT ORANGE COAST

Now it seems Riverside college's Tigers won't have the services of Charley Black, star Palm Springs athlete last year, after all.

From Orange Coast College at Costa Mesa, came a press release indicating Black is enrolled there. The Costa Mesa school announced that Black reported for practice there after bouncing back and forth between and among several larger southland junior colleges and four-year schools.

Orange Coast's press agent said that Black's arrival boosted the school's football stock several points and that Coast's coach, Ray Russo, who lead Chaffey into the Little Rose Bowl a few years ago and to a spectacular victory, plans to

use Black mainly on defense Oregon Tech Saturday but hopes to have him ready for offensive work against Fullerton Jaycee in the conference opener October 6 at Fullerton.

Black was named player of the year in Riverside County League last year when he aided Palm Springs Indians win the league title and go into the Small School CIF finals.

He lettered in football, basketball, track and basketball while at the local school and was offered a try-out with the Detroit American League, Tigers' chain during the past summer.

Thunderbird to Host Tournament

First golf tourney of the new season is slated for the end of this month, October 30 to November 4, it was announced this week.

Motor Car Dealers association of Southern California plans to play its annual tournament at Thunderbird's new 18-hole at that time.

Thunderbird has also scheduled its first annual Woman's Invitational for this Fall from November 12 to 14.

Deer Hunters Finding Game a Bit Elusive

More than 2,000 deer hunters went into the mountains last Saturday when deer season opened but either the deer population made a mass movement out of the area since last season or the hunters' aim deteriorated.

The first week produced but 67 deer as against a normal kill of 90.

So only one out of every 35 has been successful. At an estimated cost of \$100 per deer (Fish and Wildlife Service figures) a lot of men had nothing but a strenuous time for their money.

planner, Woodman, Lt. Cmdr. USNR, is commanding officer of the unit.

The unit, which owns and operates its own station, will give training in radio specifically but Woodman said men who want to get into other naval specialties are welcome.

County Refuge Hearing Gains Board Support

Meeting in Idyllwild this week, the County Fish and Game commission lent its support to the plan for public hearings on the state game refuge question.

The game body specifically approved public hearings by the California Fish and Game Commission on refuges 4-D and 4-G located in Riverside county.

IN SUPPORTING the request already before the State Fish and Game Commission, the local group did not express approval or disapproval of the present status of the game sanctuaries.

However, the commissioners agreed that because of the confusion that surrounds the legislative refuge problem there is a definite need for the public hearing.

IT IS BELIEVED that the California Fish and Game Commission meeting in Los Angeles today, will act on the request to conduct a hearing in the 100,000-acre bighorn sheep refuge, 4-D. Sportsmen and game officials

Richards Wants to Bring Hurlers Here in Spring

City officials were in negotiations with Frank Lane of the Chicago White Sox this week as result of a telephone call from Paul Richards, manager, to Al Stutz, of Palm Springs Junior Chamber of Commerce.

Richards told Stutz that he wanted to bring his battery men and conditioners back to Palm Springs for pre-Spring training season unlimbering. He had his pitchers and catchers here last Spring.

THE TEN DAY warm-up for the battery men precedes the regular Spring training season of the Sox which will be conducted in Pasadena.

Richards asked Stutz to arrange for accommodations and for the use of Polo Grounds for ten days in February. Stutz

have declared that this sanctuary has outlived its usefulness in the management of wildlife. This has been strongly protested by others.

turned the latter request over to the city hall.

It will be Richards' third year in the Village and he told Stutz he was eager to come here again.

TWO YEARS AGO Richards was manager of the Seattle Rainiers when they inaugurated the Polo Grounds for big time baseball by training here and bringing in major loop ball clubs for practice games.

Last year Richards was here with Chicago White Sox pitchers and catchers.

Seattle will follow the Sox to the Polo Grounds for their third training stint after Chicago leaves for Pasadena.

Auto Races Slated Here October 28

The third annual Grand Prix will be staged at the airport on October 28 according to information received this week. The event is sponsored by Sports Car Racing association, Inc.

Our Hearty Congratulations

Never has the pattern of events been more obscure and confusing to those upon whom difficult decisions must be made.

This is a time for keeping our thinking straight and on the true facts of each situation as the information is presented to us through our news mediums.

Our newspapers have a high degree of responsibility to their readers in disseminating the true facts from well organized propaganda used to influence the citizenry by those who seek special advantages.

The Desert Bank congratulates Mr. Jaynes and Mr. Whiteside, publishers of the Desert Sun and Palm Springs News for the splendid influence on the community which their newspapers continue to establish.

Why Civil Service . . .

BECAUSE the Civil Service system gives Palm Springs and every citizen the positive certainty of first class service by local employees working with united efforts for the welfare of the City and your personal welfare as tax-payers.

BECAUSE a good City Council should provide and preserve a permanent staff of competent chiefs and personnel for the Police and Fire Departments, free from political prejudice and pressure in order to preserve the uninterrupted functioning of those departments.

BECAUSE it stabilizes employment and builds up the experience level thereby avoiding constant turnover and the training of new men whose value is practically nil during the first months of their employment.

BECAUSE the system of Civil Service is being successfully employed by the Federal Government and by an ever increasing number of states counties and cities. with the greatest of benefits and satisfaction for all concerned.

BECAUSE the best men can be attracted to serve on the Police and Fire departments only through tests by examination and by the assurance of the the right to a fair hearing in case of dismissal.

BECAUSE the good laborer is worthy of his hire, a Civil Service system offers an employee an incentive towards greater achievement; protects the employee and the citizen of a community in obtaining their justified rights. It will induce an employee to purchase his own home in the community, raise his family as useful citizens of society and bring many other benefits to the city.

Cathedral City Lions Start Season

Cathedral City Lions Club awoke from its summer hibernation with a healthy roar last Wednesday evening. A meeting of officers, directors and committee chairmen was held to lay plans for the seasons activities. President John Danchak stated that one of the principal duties for which the local Lions Club has taken the responsibility is sponsoring the Boy Scouts and Cub Scouts. He pointed out that this activity is particularly vital because of the number of

youth of scout age in the village and lack of extensive recreational facilities so that their youthful high spirits need channeling in the right direction. Claude Cobb who is chairman of the Boys and Girls Work committee announced that negotiations are in progress with county authorities to lease the flood control dormitory at Date Palm and C street for a Scout home. Scott Thompson who has for long been overworked in scout activities has agreed to retain the older group. Mr. George Irvine, one of the new teachers at the Cathedral City School, has consented to lead

the regular scout group, and it is hoped to secure another Den mother for the cub scouts to replace Mrs. Gwen Mayfield of Tramview, who did such an excellent job last year but is forced by press of other business to relinquish the work. Another project planned is to provide trash cans along Broadway at principal intersections, and through scout help to have regular clean-up days. The seasons program, besides the regular semi-monthly meetings, provides for two ladies nights, two stag parties, and a big Christmas party for the children. The first two meetings, October 11 and 25th are to be steak barbecues held at Sunair Park.

Chairmen of the various committees were announced as follows: Boys and Girls Work—Claude S. Cobb, Citizens and Patriotic—Ray G. Potter, Civic Improvement—Charles Scherck, Community Betterment—Charles E. Martin, Education—Ben Scott.

Health Welfare Sight Conservation and Blind—Fr. Joseph Leisler, Safety—Vernon Krings, United Nations—Sam Arner, Attitude and By-Laws—Willard R. Hillery, Convention—John S. Hillery, Finance—James S. Partridge, Lions Education—G. Carroll Waller, Membership—Richard B. Strandgaard, Program and Entertainment—Elmer Walberg, Publicity—Paul Clark, Music—John S. Hillery, House—Oscar Levier, Greeters—

Around and About Cathedral City

Mr. and Mrs. J. J. Tatum of Kennewick, Washington, with their two lovely daughters, one of whom will attend the local school, have taken Mrs. Agnes Wilbor's residence for the season. Mr. Tatum will be connected with the Palm Springs Community Betterment—Charles E. Martin, Education—Ben Scott, director of the new Desert Art

Center School, in the village last week with sculptor Unopalo Kangas making arrangements for the seasons opening. They have leased two of the Ahlefeld cottages for the winter. The Herb Henrys have moved into their new home. . . . Word from the John Abels, he was pastor here for several years and is still owner of considerable village property, who have just returned to their San Diego home after a five thousand mile jaunt which included Lake Louise and Banff. . . . Roy Miller has been touring the east, and expects to re-open his cabinet shop October 1st. . . . Ruby Anderson's father, Charles Rehl, has purchased a home on C Street, but will be delayed in occupying it because of a threatening cattle epidemic on his Wisconsin dairy farm. . . . Bill and Hattie Schwartz leave next Monday on the Shrine Frolic tour to Hawaii to be gone three weeks, during which time Dick Duer will be in charge of Mr. Schwartz shop. . . . Reports from Judge Stute, who is enjoying a little rest cure in Banning, progress, and expects to be back at his DeLuxe Trailer Park in the near future. . . . Cecil Sturdevant and John Kelley back in town for the winter. . . . We note that the famous collection of abstract paintings by Cathedral City's noted feminine artist, Agnes Pelton, are on display at the University of Redlands until October 7th, after which they go to the California Institute of Technology for another two weeks. Both displays are open to the public. . . . Mae Johnson and Helen Hill back from their idyllic summer home and

The Desert Sun—11

Palm Springs, Fri., Sept. 28, 1951

making preparations for the re-opening of their Peter Pan grocery in a few days. . . . Christina Lillian is reopening her Svenska Cottages after a summer spent at the Taos Art Colony and Navajo Indian Reservation in New Mexico.

Cathedral Pharmacy Sold by Hart Kopp

The Cathedral Pharmacy has been purchased from Hart Kopp by Mr. and Mrs. William R. Hewitson, of British Columbia. A long lease has been negotiated through the office of Hilston McCabe. Mr. Hewitson has arranged for additional store space and plans extensive remodeling in conjunction with A. V. Linkletter, the owner of the building. It is hoped to re-open the establishment shortly after October 15th, Mr. Hewitson says.

Billie Williamson Back from Trip

Billie Williamson, resident manager of the Desert Art Center, has returned from an extensive vacation trip which included Tahoe, Northern California, and Oregon, and the San Francisco Bay region, followed by a month in Balboa with her son. She will re-open the artists supply shop at the Art Center October 1st, and the first exhibition is scheduled for October 15th.

Notes from the Library

THE ROAD TO BITHYNIA by Frank G. Slaughter.

Set against a brilliant, barbaric panorama of the Middle East in the years immediately following the Crucifixion, the story of Luke, biblical physician and chronicler of the life of Christ, and his search for peace may be classed as realistic adventure, or authentic romantic history of a biblical age. But, above all, it is a sincere religious novel of a scientist who loses his skepticism by finding peace in the teachings of Jesus. As doctor and companion to Paul, Luke travels through the major cities of the biblical world, meets Peter and Herod; witnesses the orgiastic sacrifices to the bull-god Mithras in Antioch, and studies medicine at the charlatan Temple of Asclepius in Pergamum. In contrast to the tender love story of Luke and the beautiful Thekla, one of Paul's followers, is the world of violence which surrounded the early Christians. Dr. Frank G. Slaughter, graduate of Duke and Johns Hopkins universities, is one of America's most prolific writers, best known for his historical novels with a medical background.

AUGUST INCIDENT by Amber Dean.

A Crime Club Selection, this is the story of Treasury Department Agent Orville Smith who picked Ogg Lake as a haven for recuperating from gunshot wounds and found himself in the midst of an ingenious kidnapping plot which led to the upstairs closet of a house by the lake where murder lurked. Abbie Harris, his middle-aged friend, added two and two and came up with a killer.

WITH ALL MY HEART by Margaret Campbell Barnes.

Restoration England is the background for this novel about Catherine of Braganza and Charles

les of England. It is the story of a convent-bred girl who becomes the bride of a sophisticated ruler, and whose faith and courage in marriage provide for her a dignity and stature over the showy mistresses who attempt to overshadow her. Margaret Campbell Barnes, born in London, and educated in London and Paris, saw a good deal of the world gathering material for her last three books has been a major book club selection.

LIFEMANSHIP or The Art of getting Away With It Without Being An Absolute Plonk, by Stephen Potter.

This little volume tells you how to be Top Man at a weekend and how, without any specialist knowledge yourself, to make the specialist himself seem a fool. These basic essays on social discomfiture are illustrated throughout with explanatory diagrams by Lt.-Col. Frank Wilson. Stephen Potter, the author, whose earlier book, GAMESMANSHIP, or The Art of Winning Games Without Actually Cheating, was a brilliant contribution to the world of humor, has been described as the witliest satirist in this decade.

A LONG WAY TO FRISCO by Alfred Powers.

Based on a folk tale that really happened this adventure story of the Gold Rush days is the exciting drama of two men who decided to quit mining gold dust and make their fortune in hogs. How they transported fourteen hundred prime hogs up in Oregon's Willamette Valley to San Francisco, six or seven hundred miles away, on hoof and on foot, through the meat-hungry miners milling around Golden City where bacon was wasn't any, is a yarn as American as Paul Bunyan and Pecos Bill. The author who is Professor of Creative Writing in Oregon has written eight books.

Jeremy Crocker Now at Caltech

Jeremy F. Crocker, son of Mr. and Mrs. Francis F. Crocker, 1051 Granvia Valmonte, was among the more than 200 new California Institute of Technology students at the annual indoctrination camp in the San Bernardino mountains September 21 to 23. He is a graduate of Palm Springs high.

The annual encampment is designed to acquaint freshmen and transfer students with the academic, athletic and social life at Caltech.

Palm Springs Second in Polio Campaign

Palm Springs was exceeded only by Riverside in the campaign for funds for the National Foundation for Infantile Paralysis, Brig. Gen. W. R. White, chairman for the polio drive said this week. The county raised \$43,539. Palm Springs total was \$4,192.83. Only Riverside city was higher.

INTRODUCIN'

"Cy"

SINCE I'm a stranger in these parts I'll jest have to step right up and tell you that I'm the guy who's gonna bring the gold darndest bunch of fresh farm stuff and other fixing to Palm Springs you ever seen. Out where I cum from they jest call me "Cy" and I ain't aimin' to change it because I gone high class. You're gonna hear more from me so hold your hats!

DESERT

F 'Cy' says:

This fella Percy Herman who's gettin' the place ready for my stuff is the busiest guy I've seen—chasin' all over the place like mad Morey and Milt Barde are huslin' around like a pair of farm hands at harvest time in order to get the place ready for the gang come the middle of November.

My stalls ain't gonna just be made of a bunch of boards . . . no siree. This guy Phil Silverstone is puttin' in the slickest lookin' show cases you ever saw—and an ice box as big as the North Pole. Wate'll you see how perty this place is gonna look!

Fer some time now I've been plannin' to move to town and open a big ranch store . . . didn't jes know whar I was goin' but now I've made up my mind. It's Palm Springs fer me!

It's one of nicest gol darned towns I ever saw and not so big that it scares the stuffin' out of me. Folks here seem as friendly as the boys on the ranch . . . jes know I'm goin' to like 'em! And by golly I think these folks 'round here are goin' to like gettin' that real fresh stuff I'm goin' to bring them from the farms and ranches hereabouts.

I'm gonna have the gol darndest biggest place that's ever been run in these parts . . . everything from a bushel of berries to bandanas. Mr. Strebe's theatre building is goin' to be bustin' out all over with over forty shops all in one bunch that will really delight the gals.

I got a lot more to tell you about my Desert Farmers Market next week — so watch the newspapers and listen to the radio for the latest dope. There's gonna be some surprizes.

I Rise to Remark

By CONGRESSMAN JOHN PHILLIPS

We went to Bermuda. It was the only place for which we could find a boat, on short notice, taking reservations cancelled by other travellers. We had a poor cabin down there, and a very good one coming back. We were four nights on land; coming back on the same ship. I got a change of scene and some rest.

Bermuda is interesting. Like southern California, it must hoard water. The houses are built so that the roofs catch the rain water. Large installations,

like a hotel, go out on a nearby hill, clear a space of trees and brush, pour a thin layer of cement, and have what they call a "water catchment." Like the roofs, the "catchment" is white-washed, the idea being that the lime has a purifying effect on the water. Since there is a 50-inch rainfall, or more yearly, this has been adequate in the past. Occasionally, in very dry seasons, water has been imported for large users, and recently, encouraged by a well-known author, a "dowser" was brought

down, with his forked stick, and he indicated several places to drill for wells, something which had never been successful before.

CURIOSLY, the drillers did hit water. Now the Government won't let this water be used. There is a law, probably a hundred years old, like a lot of other laws, which says that well-water may not be used. I don't know how they will solve that problem.

The community has little debt, low taxes, few restrictive laws. It has the reputation for resisting new ideas. This is because the colony is self-dependent, and knows what can be done and what cannot be safely attempted. Maybe this nation would do well to examine carefully the ideas presented enthusiastically by people who have as little knowledge of money as they have of the principles of the Republic.

THE WATER is clear and so salty you float without effort. I don't think you could sink. We stayed at Deepdene Manor, about four miles from Hamilton, which can only take a limited number of guests, and is a wonderful place for a rest. Some of my colleagues, who stayed in Hamilton, or at the larger hotels, were not so well pleased.

The United States has an air base on the island, having dredged up new land to make the long runway. This and letting the little automobiles in, when previously there were only horse-drawn carriages, have evidently made a difference in Bermuda.

I tried to stay off the subjects of politics, taxes, and who will be the next President, with considerable success. We are about worn out. Congress should adjourn. We lost two members, by death, during the recess, both unexpectedly, and one resigned. We have a few ill, two in our delegation recovering from operations, and some struggling to avoid illness. Congress will probably be here until the middle of October, under present indications.

I DID TALK to a Pennsylvania family for one evening, largely because they came from the same part of the state in which I was raised and educated, and because they represent the same family and economic backgrounds. Here were three boys, all of whom came up through their school years under paternalistic government. They have never known anything else. They sat there, expounding socialistic theories without the slightest recognition of the ends to which those theories would lead the

nation, and themselves. They were parroting what was taught them in school and college. The most outspoken one did not realize until I talked with him that evening, that a citizen, buying a \$25 bond, say, in 1941, and getting "dollar for dollar" for cashing it this year, was not the \$18.75 paid ten years ago, but that the \$25 received now would only purchase what \$11 would in 1941. Yet this is extremely important to these boys individually. They have heard, and learned, only the side of the story which has made it possible to elect and re-elect the spenders and the socialists. They themselves spread the poison which will destroy them, as it has destroyed other nations.

There is work to be done, just patient, intelligent, hard work. Probably it can be done best by men and women of these same age groups, among themselves.

Girl Scouts

Girl Scout activity for the new year will get under way next Monday when all Scouts except those from Junior and Senior high will meet at the Little Scout House to register.

Junior and Senior high girls will meet Wednesday at 7:30 p.m. Officers requested that all girls arrange with their mothers to accompany them to the Scout House or registration days.

Following is the registration schedule for Brownies and Girl Scouts:

Monday—Troop 14—5th Grade from St. Theresa and Cahulla Schools. Troop 1—4th Grade from St. Theresa and Cahulla Schools.

Tuesday—Troop 8—6th Grade from St. Theresa and Cahulla Schools. Troop 16—4th Grade from Katherine Finchy School.

Wednesday—Troop 5—6th Grade from Katherine Finchy School; Troop 13—2nd and 3rd Grades from St. Theresa and Cahulla; Troops 3 and 9—Girls from Nellie Coffman and High Schools.

Thursday—Troop 2—5th Grade from Katherine Finchy School; Troop 10—2nd and 3rd Grades from Frances Stevens School.

Friday—Troop 4—2nd and 3rd Grades from Frances Stevens School.

Charles Dymond Opens Office Here

Charles G. Dymond, public accountant, has opened an office in Palm Springs at 380 N. Palm Canyon Drive, in the offices of Ray Lusby insurance agency. He was formerly located in Los Angeles where he conducted a public accounting service.

WITH L. A. FIRM—Charles R. Magadini, well known Villager, now with Los Angeles engineering firm.

Villager Member of National Firm

Announcement was made this week that Charles R. Magadini, well known Villager, had joined the Los Angeles civil engineering firm of Bowen, Rhule and Bowen.

Magadini, who lives at 4034 Calle San Raphael, graduated, Cum Laude, from U.S.C. August 31, majoring in engineering. He had been employed at the Palm Springs post office during the summer months while attending school under the GI bill.

He is a war veteran and returned to school after his discharge.

He was president of the American Society of Civil Engineers, student chapter and vice president of Tau Beta Pi and a member of Chi Epsilon. His wife, Ruth Magadini and two sons, Peter and Christopher, resided here while he attended school. His mother, Mrs. Amelia Caligari, lives in Great Barrington, Mass.

DAV to Organize Auxiliary Here

Palm Springs chapter 66, Disabled American Veterans, will start the new season at 8 p.m. Monday at World War Memorial Hall. Frank M. Simmons, eighth district commander, will be present to talk.

Principal business of the evening will be formation of a woman's auxiliary to the chapter. Mrs. Marie Simmons, department welfare chairman, will organize the group.

Adjutant Robert Dasho said that those joining Monday night will be charter members.

McCoubrey Back from Convention Held in Chicago

National volume of automobile and truck rentals increased by more than 19 percent during the past 18 months, it was reported this week by Edgar L. McCoubrey, operator of the Hertz-Drive-Yourself Service in Palm Springs.

He added that a substantial amount of this growth can be directly attributed to increasing use of rent-a-car services by travelers between cities.

McCoubrey has recently returned from a three-day international sales and management conference conducted in Chicago by Hertz Drive-Yourself System, Inc. The conference was attended by more than 300 Hertz operators from throughout the United States, as well as company representatives from Hawaii, Canada, Great Britain and Mexico. Executives of the nation's top railroad and air lines participated in sessions devoted to discussion of the rail-auto and plane-auto travel plans which Hertz originated more than 20 years ago.

"There is a definite trend," McCoubrey explained, "toward traveling from one city to another by train or plane and renting a car on arrival, instead of driving all the way. This practice accounts for more than one-third of our total business, compared to less than one percent 20 years ago. Widespread acceptance of this modern travel method is also increasing passenger traffic for both railroads and airlines."

Theme of the conference was "Maintaining Leadership." A pioneer in the automotive rental field, the Hertz organization has grown to be the largest of its kind in the world. In conjunction with the conference, the company observed the 27th anniversary of its founding with the award of a month's free service to its 75th millionth customer, Mrs. E. L. Swikard of Chicago, wife of a merchandising counselor. The award was presented to Mrs. Swikard by Walter L. Jacobs, president of Hertz.

Scottish Rite Club to Stage Annual Festival

Annual Fall Festival of the Gateway Scottish Rite club will be held tomorrow at the Riverside County Sheriff's Training Center at Box Springs, it was announced this week.

The club includes all Scottish Rite Masons in Riverside and San Bernardino counties. The event will start at 6:30 p.m. with a stag dinner and an entertainment program will follow.

The home-front is the soft under-belly at which the enemy will aim its atomic weapons. Civil Defense can provide the necessary protection to make such enemy thrusts the least effective.

14—The Desert Sun Palm Springs, Fri., Sept. 28, 1951

Rally Day to be Marked at Community Church Sunday

Rally Day will be observed in Community church Sunday school at 9:45 a. m. Sunday. A special service is being planned and an effort is being made to have a 100 per cent attendance of scholars and teachers.

Dr. James A. Blackstone, pastor, will preach on the subject "God in Education" at the morning service at 11 o'clock.

A SERVICE of recognition and installation of teachers and officers of the Sunday school will be held and parents were urged to attend by the minister.

Junior high Christian Endeavor will meet at 6:15 p.m. under sponsorship of Mr. and Mrs. Frank Little. Joan Cameron will lead the meeting. Senior high

society will meet at the same time under sponsorship of Mr. and Mrs. Dave King.

THE SENIOR society will have charge of Youth Night service at 7:30 p.m. Dr. Blackstone will charge the newly elected officers after which they will be installed. New officers are Jack McDonald, president; Eddie Knupp, first vice president; Bob Miner, second vice president; Pat Sproule, girls social chairman; Beverly Yager, treasurer; Caroline Knupp, membership secretary; Catherine Wallace, Christian Endeavor secretary; Carl Groth, music chairman; Mary Jean Lennie, devotional prayer chairman; Ronald Summitt, missionary and service chairman; Don MacPherson, publicity; Shirley Woodward, room decoration; Wendall Veith, Bible club.

High Holy Days Start Sunday at Jewish Church

High Holy Day services will be held for the first time in the new Temple building at Jewish Community Center starting next Sunday evening in services inaugurating the Jewish year, 5712.

A short consecration service will precede the regular service and will be conducted by Rabbi Isaac E. Bloch, assisted by Robert Morris and Leib Rosen. Cantor Joseph A. Adelson of Los Angeles will chant the musical portion of the service, accompanied by Miss Bernice Fay, organist. Lay participants in the consecration service will be Saul Ruskin, president of the Center; Leo Baker, vice-president, and chairman of the building committee; Doctor George Gilman, chairman of the Religious committee; and Stanley Rosin, past president.

The new temple marks the completion of a project which was started over a year ago and is the first religious edifice capable of seating 500 people, and having the largest floor space of any building in the Village for social functions. It is unique in design and marks a new approach in the architecture of religious structures. The building was designed by Williams, Williams and Williams, local architects, and the Temple was constructed by the Bakker Construction Company of San Bernardino.

Due to the importance of the High Holy Day Services, the demand for seating accommodation, admission to the opening services will be by ticket only, and reservations must be made with the Center office. Residents of the Community and visitors are invited, however, to visit the building at all other times, and are invited to attend the regular Sabbath services, which are held every Friday evening and every Saturday morning.

CHRISTIAN SCIENCE SUNDAY TEXT "REALITY" How spiritual reality, when understood, improves human affairs today as in Bible times will be discussed in the Sunday Lesson-Sermon on "Reality" in all Christian Science churches.

This verse from Jeremiah (51: 10) is the Golden Text: "The Lord hath brought forth our righteousness: come, and let us declare in Zion the work of the Lord our God."

A Scriptural selection from Matthew relates that "Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of sickness, among the people." In his Sermon on the Mount he taught, "Blessed are the pure in heart: for they shall see God. Blessed are the peacemakers: for they shall be called the children of God" (4:23, 5:8, 9).

In "Science and Health with Key to the Scriptures" Mary Baker Eddy says, "The individuality of man is no less tang-

Talented Young Speaker to Talk at Local Church

Donivee Ellison, an inspiring speaker of national renown will speak at the Community Church next Sunday.

The little nine year old talented lecturer has appeared before Church groups and civic organizations since the age of six.

Donivee and her parents, Mr. and Mrs. Jack Ellison are now making Palm Springs their permanent home. The young lady enrolled at the Katherine Finch school.

Bus Service to Aid Churchgoers

Dr. James H. Blackstone Jr., pastor of Palm Springs Community church announced this week that special gifts have made it possible to provide a bus to pick up children or adults who otherwise would have no transportation to and from Sunday school.

Until further notice the schedule will be as follows:
9:20 a. m. Orchard Trailer park.
9:25 a. m. Sunrise way at Mesquite.
9:30 a. m. El Placer and Calle San Antonio.
9:35 a. m. Lienau Village on Ramon road.
9:40 a. m. Ramon road at El Segundo.
9:43 a. m. Community church.

Mrs. Spector Hurt in Sidewalk Mishap

Mrs. Emma Spector of the Desert Employment agency, fell on a Village sidewalk last week and was painfully injured.

Her office at 262 South Indian avenue, is in charge of her assistant, Mrs. Jay Briggs, during her convalescence.

Civil Defense is charged by law with the responsibility of protecting our 153,000,000 people, their property and productive capacity in the event of an atomic attack.

able because it is spiritual and because his life is not at the mercy of matter. The understanding of his spiritual individuality makes man more real, more formidable in truth, and enables him to conquer sin, disease, and death" (p. 317).

"God's Outsiders" Sunday's Subject

The Rev. Robert M. Hegarty, rector of St. Paul's in the Desert, Episcopal church, reminded members of the Parish that services next Sunday will be conducted on Pacific Standard time. There will be Holy Communion at 8 a. m., Sunday school at 9:30 a. m. and Divine service at 11 a. m.

At the latter hour, Rev. Hegarty will speak on "God's Outsiders" thousands of men and women who, he said, do not attend church because they lack the strength of a positive faith. These people, however, live within the sphere of the church and benefit by its activities.

Mrs. Bell Heads Church School

Foursquare Church of Palm Springs recently appointed Mrs. Martha Bell as superintendent of their Christian Education Department. Mrs. Bell has an excellent background in children's work and has been active in Sunday school for many years. On September 30, at 9:45 a. m. the children will see a Bible story illustrated with chemicals.

At the 11 a. m. worship service the pastor, Rev. Jack B. Morrow, will speak on the subject "Keep yourself in the Love of God." The Sunday evening talk at 7:30 will answer the question, "Can We Know that We are Saved?" The pastor's wife will sing at both services.

Go Ahead and Order It!

Standard equipment, accessories and trim illustrated are subject to change without notice.

Right at this moment, there are thousands of people in America who are just about ready to end all compromise insofar as motor cars are concerned—and order a Cadillac.

If you are one of these—go ahead and order it! It will be the wisest motor car decision you ever made.

First of all, consider the car's reputation. Wherever highways lead, there is general recognition that Cadillac is the Standard of the World. Not only is this an endless source of pride and satisfaction to the Cadillac owner—but it is incontestable proof of Cadillac's historic quality. Such a reputation could come only from long-continued superiority.

And then consider what Cadillac brings you in terms of every-day satisfaction.

Every mile you drive, or ride, is a sheer delight. The word for it is wonderful—and the proof of it can be

found in an hour at the wheel. To ride is to rest—and to drive is to relax.

But over and above all this is an argument in favor of Cadillac so practical and conclusive that it should be hard for anyone to ignore:

The lowest-priced model of this great and distinguished motor car is priced competitively with numerous and varied models produced by other manufacturers. Yes—every day—scores of people actually pay the price of a Cadillac—and still don't get one!

Add to this moderate cost the further fact that few cars—of any price—will run farther on a gallon of gasoline—and even economy points to Cadillac!

So—if your heart is set on a Cadillac—come in and order it. There isn't a single logical reason why you shouldn't do so.
